## Twelve Visions for America Web site: www.DrBeebeForPresident.com

1st Vision Water independence. We can siphon off rising sea levels with fresh water lakes throughout the country! The BlueGreen Revolution! 20+ environmentally smart desalination plants on the western coast of the U.S.A. Paid for with 10% of our military budget (one in Hawaii, one in the gulf of Mexico and five on the East Coast). Millions of jobs would be created and the BlueGreen revolution would more than pay for itself over time.

Water is a must for our Security. (A.A.T.O. should provide more in desalination plants and water delivery systems than weapons!) Fish not Bombs!

2nd Vision Every household and every citizen over 18 is encouraged to have a star trek like Phaser for self defense. Set permanently on stun you can knock people out but you can't mass murder people. The Country that took humanity to the moon and back safely can accomplish this! Non lethal force!

3rd Vision We need to treat our neighbors like neighbors. There is a de facto insecure open border. North America should have high tech, security savvy, open borders. All who enter or leave the US should have a Global Travel Card with their bio-metrics and itinerary.

4th Vision The war on drugs is a travesty. Most drugs should be decriminalized with a mandate for education on the effects it will have on you and the consequences if you abuse them. Room at Hotel California, where you check out but you can never leave!

5th Vision All Government Offices in America should go with Apple Computer.

There are literally no viruses with apple and the security is light years ahead of other systems. If it is not an apple it is a lemon. No more getting 20plus million Government employees hacked.

6th Vision All the Beebe cabinet does yoga and meditates, we need a Spiritual Awakening in America. (#Tommy the Sivani) Government should never establish a religion but Government should always be informed by the best of religion. It was Abraham Lincoln who said give me a Church with just the Great Commandment and I will join that Church. Love of God and neighbor is the simple truth of the Gospel. The rest is dogma. But if a candidate believes the world began less than 10k years ago they should not be able to use the advances of science to advance ignorance of science.

7th Vision Ralph Nader 80+ years ago said at UCLA where I was a student. Our number one job in our life time is being a Citizen! As a right of citizenship all citizens should have access to cool, clean, clear, medicinal water, healthy organic food, basic shelter and health care. It should also be a right of citizenship to have a public education from preschool through college. A small fraction of the money sent overseas to escape taxes and fund military arms would pay for it. Voting is a prerequisite to Government Benefits, always a none of the above category! Privileges require Responsibilities! Vote!

8th Vision Dr. Beebe's emerging non profit is Unicology celebrating the oneness of all creation. I have a picture of my daughter on a recycled unicycle balancing a picture of the earth from space the caption reads, "Earth's Balance Depends on Us" Unicology celebrates that we genetically are more than 98% the same as human beings. It won the national competition for Gifted, Magnet schools. Media loves to divide by race, religion, ethnicity and social class but we are all one as Americans as Global Citizens and as Human Beings. Neither male nor female defines our humanity, if we breathe we have spirit and in the spirit we are One.

9th Vision The great writer Anonymous wrote, "Great country, lousy empire". We cannot be the United States of the World and Yet we are the last best hope for giving quality leadership to what has become One World, One Global Community. Let us lead by example, bring peace on earth and letting it begin, to paraphrase the American song favorite, with us! Let us be responsible Global Citizens and lead in the ways of Peace!

10th Vision The Space program is a priority. We will eventually colonize maybe some of the 10,000 earth like planets that NASA says are out there. From video to telecommunications to Smart Phones and computers our travel in space has exponentially increased our understanding of the wonders of God's Universe.

11th Vision Henry David Thoreau said 150 years ago we need to evolve beyond eating other animals. New study: Plant Protein lengthens life.

The China Study proved that an animal based diet is responsible for all of the diseases and a plant based diet is the way to prevent or reverse those diseases. Our country has too much dependence on prescription drugs and not enough emphasis on organic fruits and vegetables and clean, clean, cool, medicinal water. John Wesley wrote in 1788, "It is the way to cure most diseases." All animals should be treated humanely even those in the food chain!

12th Vision All new cars are electric or hybrid, or self driving by 2025.

### FORMATION YOU SHOULD KNOW

#### Message for clients who initiate ACH transactions

If you send ACH Credit payments: We're excited to introduce a new service option to you. Effective September 23, 2016, you may send ACH credit payments and have them post to the receiver on the same day. If you opt to enroll in the new Same Day ACH service, an additional per item fee will apply to each same day ACH entry. Contact your banking officer or Treasury Management Representative for more information, including any applicable fees.

If you send ACH Debits: Effective October 3, 2016, ACH debit transactions returned by the receiver as unauthorized or authorization revoked will result in an additional \$6.00 fee. The current fee for all ACH returns will continue to apply as well.

For additional information, visit the U.S. Bank 2016 ACH Rule Change website at: [www.usbank.com/ach](http://www.usbank.com/ach), Access code: fastach16 or send an email request to [commercialsupport@usbank.com](mailto:commercialsupport@usbank.com)

## IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS

### In Case of Errors or Questions About Your Checking, Savings, ATM, Check Card, ACH, Bill Pay and Other Electronic Transfers

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days\* after we sent you the FIRST statement on which the error or problem appeared. Telephone us at the number listed on the front of this statement or write to us at U.S. Bank P.O. Box 64991 St. Paul, MN 55164-9505.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will tell you all the results of our investigation within 10 business days and will correct any error promptly. If we need more time, we may take up to 45 days to investigate your complaint. In that case, we will provisionally credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. For transfers initiated outside the United States or transfers resulting from point of sale debit card transactions, the time period for provisional credit is 10 business days and the time to resolve the investigation is 90 days.

\*Please note: Paper draft and paper check claims must be disputed within 30 days per Your Deposit Account Agreement.

## IMPORTANT DISCLOSURES TO OUR BUSINESS CUSTOMERS

Errors related to any transaction on a business account will be governed by any agreement between us and/or all applicable rules and regulations governing such transactions, including the rules of the National Automated Clearing House Association (NACHA Rules) as may be amended from time to time. If you think this statement is wrong, please telephone us at the number listed on the front of this statement immediately.

## CONSUMER BILLING RIGHTS SUMMARY REGARDING YOUR RESERVE LINE

### What To Do If You Think You Find A Mistake on Your Statement

If you think there is an error on your statement, write to us at:

U.S. Bank, P.O. Box 3528, Oshkosh, WI 54903-3528.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Reserve Line Balance Computation Method:** To determine your Balance Subject to Interest Rate, use the dates and balances provided in the Reserve Line Balance Summary section. The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your Balance Subject to Interest Rate. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The \*\*\*INTEREST CHARGE\*\*\* begins from the date of each advance.

## REPORTS TO AND FROM CREDIT BUREAUS FOR RESERVE LINES

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

## CONSUMER REPORT DISPUTES

We may report information about negative account activity on consumer and small business deposit accounts and consumer reserve lines to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: CRA Management, P.O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.
